Upgrade your Qualification

A diploma programme at Londontec City Campus can serve as a significant upgrade to both your career and your personal growth. Londontec City Campus is committed to offering high-quality, internationally recognized diploma programmes, structured to meet rigorous educational standards. This one-year diploma programme is designed in accordance with educational guidelines and provides a solid foundation for advancing in your career.

With 120 credits, as per British standards, this diploma can serve as the first step towards pursuing a full British degree, ultimately leading you to become a graduate. The programme places a strong emphasis on research-oriented learning, equipping students with practical knowledge and skills through a variety of effective learning methods.

Why Select Londontec?

- **Proven Experience:** With extensive expertise in the Sri Lankan private education sector, we have been a trusted institution for decades.

- **Accreditation:** A Pearson-approved center since 2009 and a TVEC (Tertiary and Vocational Education Commission) registered institute since 1989, ensuring high-quality, recognized education.

- **State-of-the-Art Facilities**: Our campus is equipped with modern, cutting-edge facilities that enhance the learning experience.

- **Affordability & Quality:** We offer competitive rates without compromising on the quality of education, ensuring excellent teaching methods and access to contemporary learning tools.

- **Innovative Teaching:** Our curriculum is designed to engage today's learners with interactive, technology-driven teaching methods and activities.
